FROM: Peter L. LoPresti, Executive Secretary *PLL*

SUBJECT: Racial and Ethnic Survey

Your cooperation in filling out the attached Racial and Ethnic Survey of Candidates for Credentials by June 1, 1976, would be greatly appreciated. The information sought is for credential candidates who have been in your Fisher or Ryan programs during the 1975-76 school year. The Commission needs this data to determine how many new bilingual teachers are being prepared and the ethnic groups to which the newly credentialed persons belong. The information will be treated in a confidential manner and will be utilized by the Commission in determining the degree to which needs are or are not being met in bilingual education. The information will also be utilized by the Commission in analyzing the degree to which minority candidates are entering the profession.

Your assistance is greatly appreciated. Thank you for your cooperation and interest in the work of the Commission.
